

ÅRSMØDE 2019

DANSK LUNGE CANCER GRUPPE

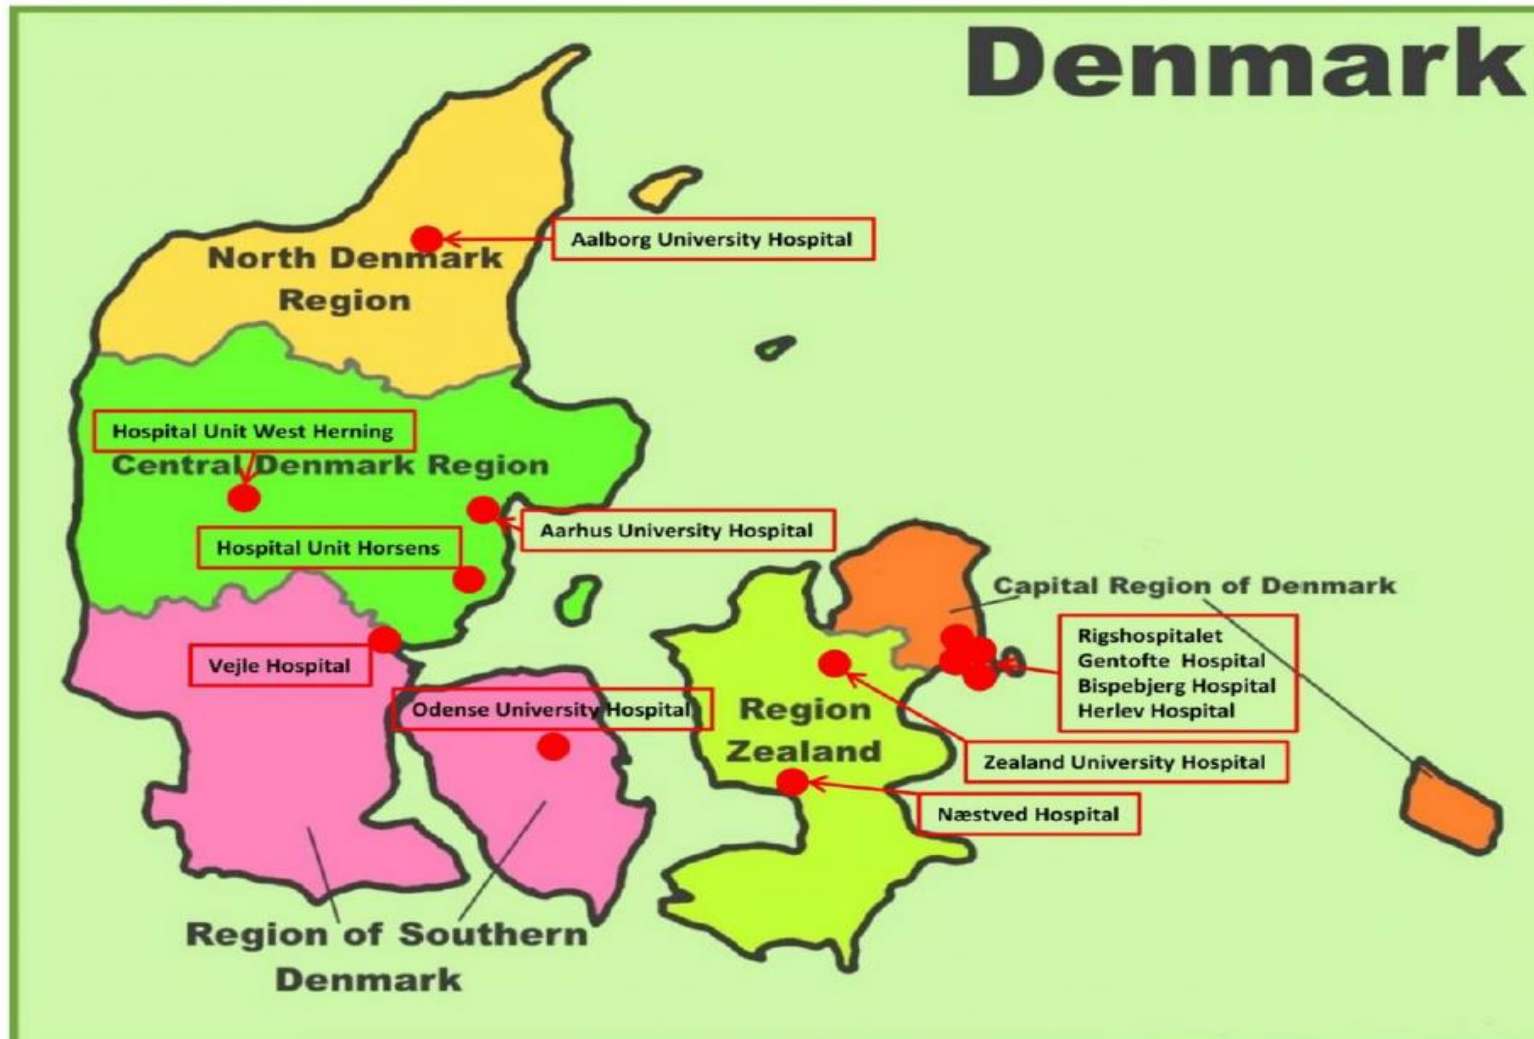

Ole Hilberg

Professor, Syddansk Universitet

Dansk Forskningscenter
for Lungekræft

Participating centers:

Steering committee

Chair of steering committee: Professor Ole Hilberg, Southern University of Denmark

Co-chair of Steering committee: Associate Professor Torben Riis Rasmussen, Aarhus University

Steering committee member representing the 5 regions of Denmark

- RH: Jann Mortensen & Jens Benn Sørensen
- RSj: Uffe Bødtger & Malene Støchkel Frank
- RSyd: Anders Green & Erik Jakobsen
- RM: Torben Riis Rasmussen & Peter Meldgaard
- RN: Tine McCulloch & Rana Bibi

Patient organisation participant: Lisbeth Søbæk Hansen (patientforeningen for lungekræft)

Work packages (WP)

WP1: Early Detections of Lung Cancer

WP2: Improved diagnostics

WP3 Improved treatment of Lung Cancer

WP4 Improved supportive care

WP5 Epidemiology

Clinical protocols (CP)

CP1 CT-screening

CP2 Blood sample screening

CP3 Improved imaging

CP4 Improved invasive diagnostics

CP5 Improved follow-up

CP6 Improved radiotherapy and medical treatment

CP 7 Functional capacity throughout the lung cancer trajectory

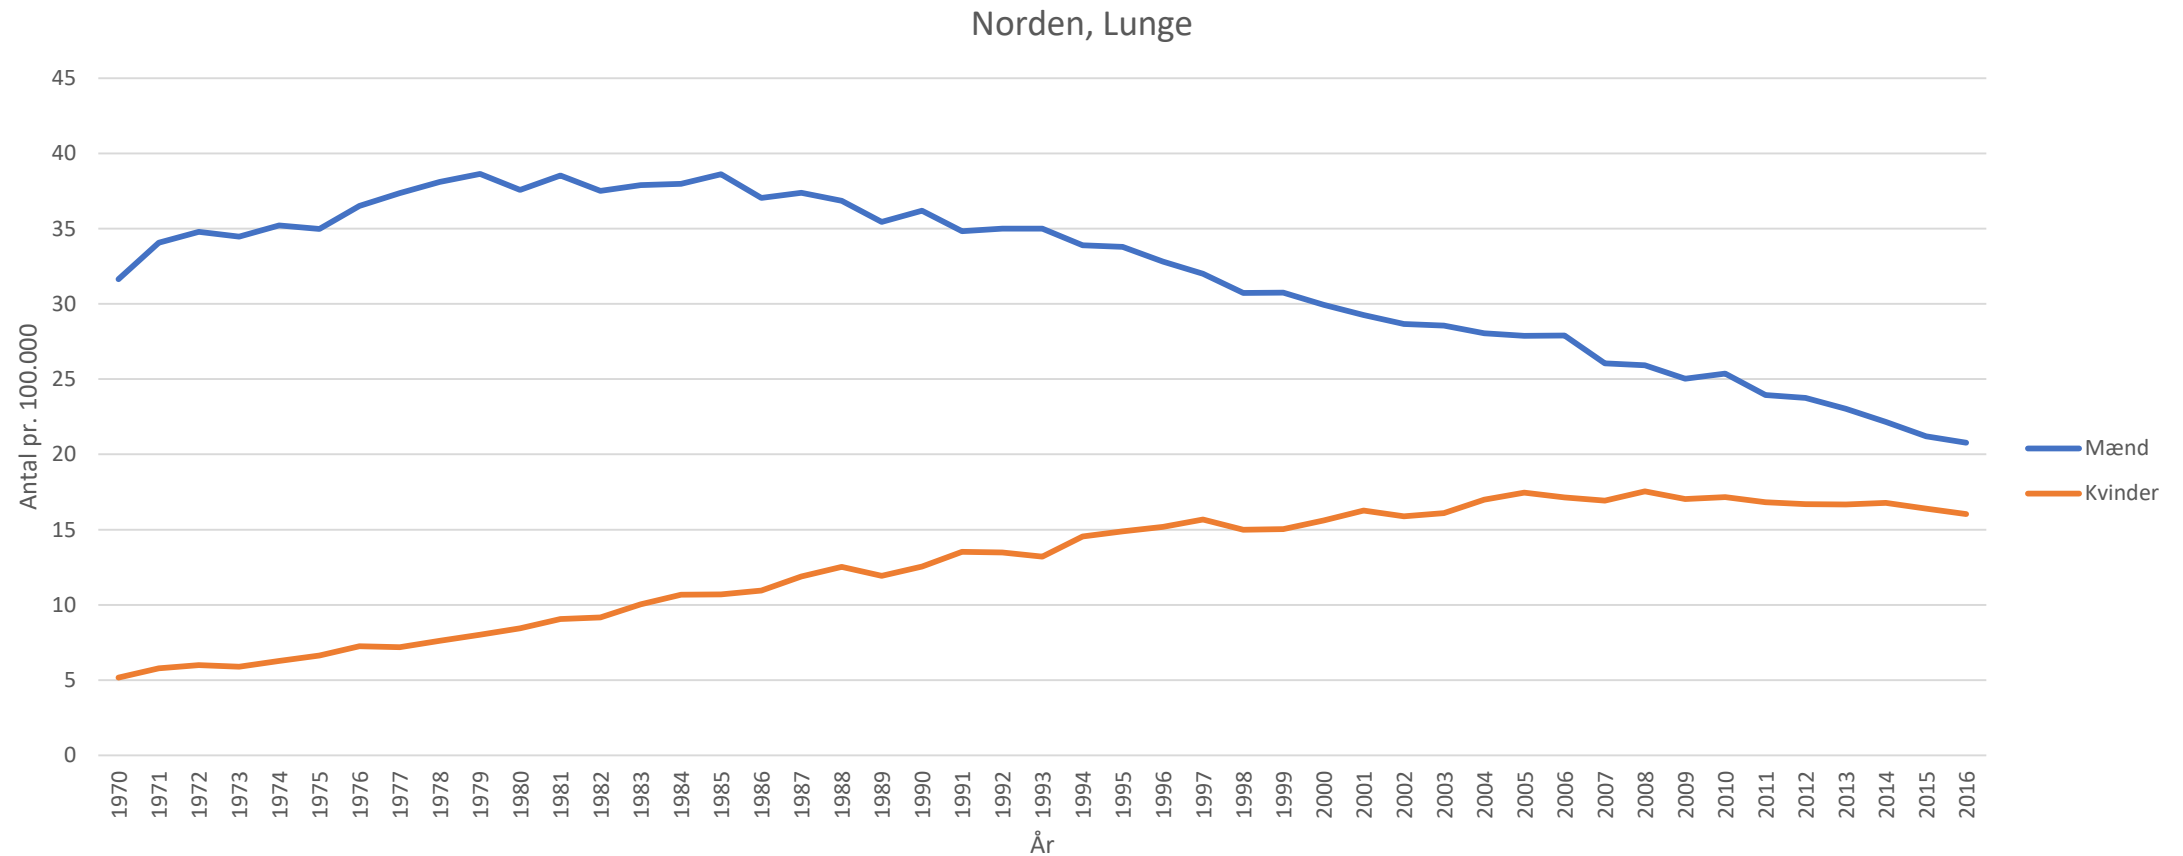

CP 8: Patient Reported Outcomes used for Weekly Internet-based DEtection of progressive disease in lung cancer; a randomized controlled trial: ProWide

CP 9: Smoking-cessation treatment program in newly diagnosed patients with lung cancer

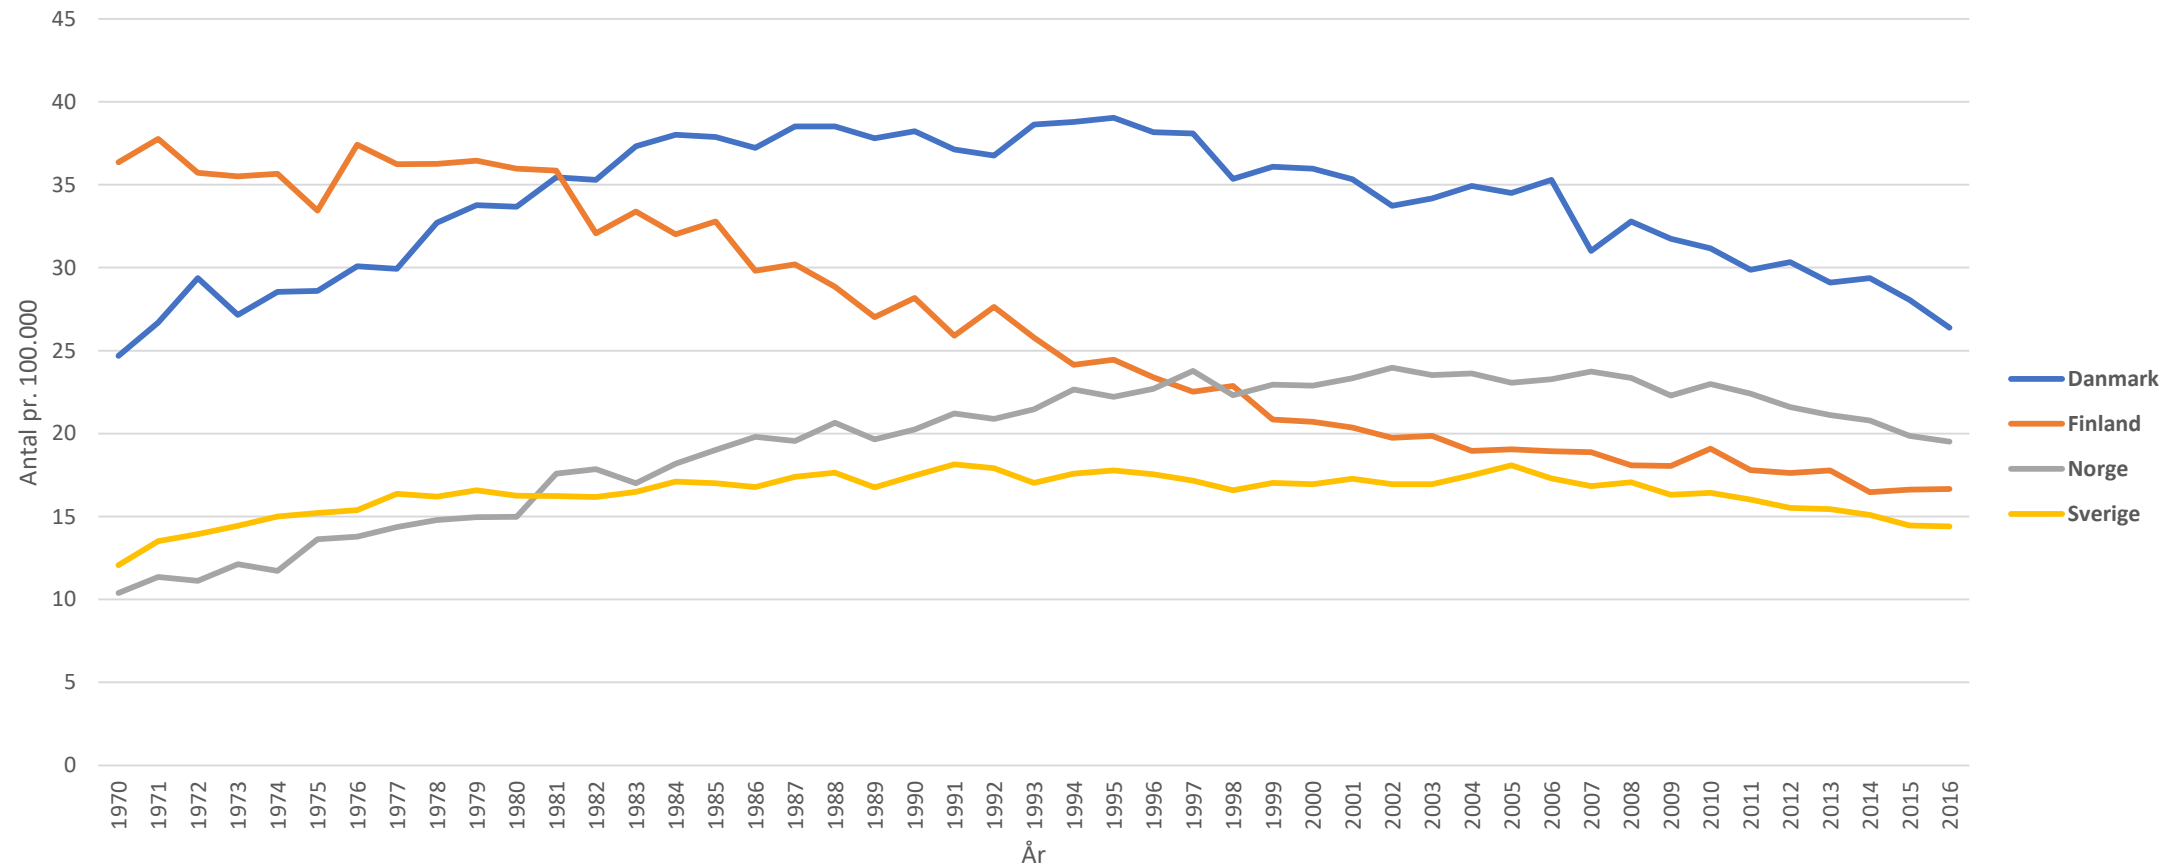

CP 10: Lung cancer epidemiology and mortality among Danish lung cancer patients in a Scandinavian context

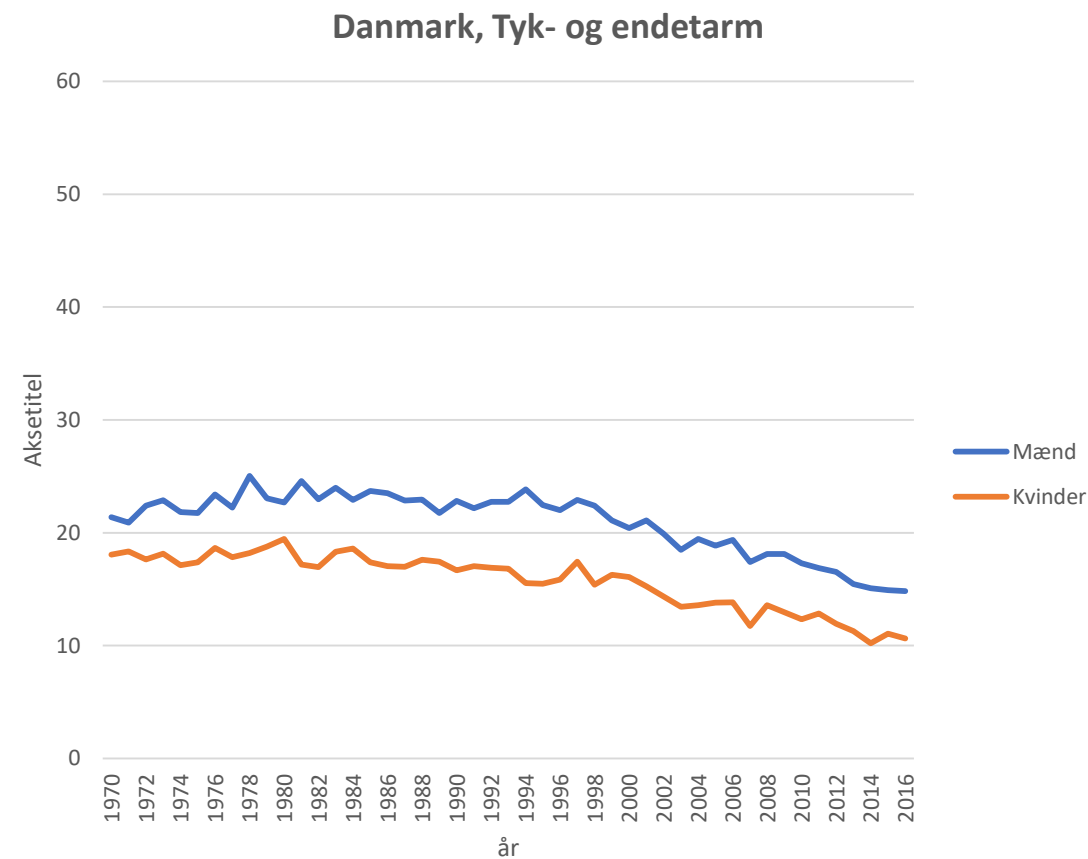

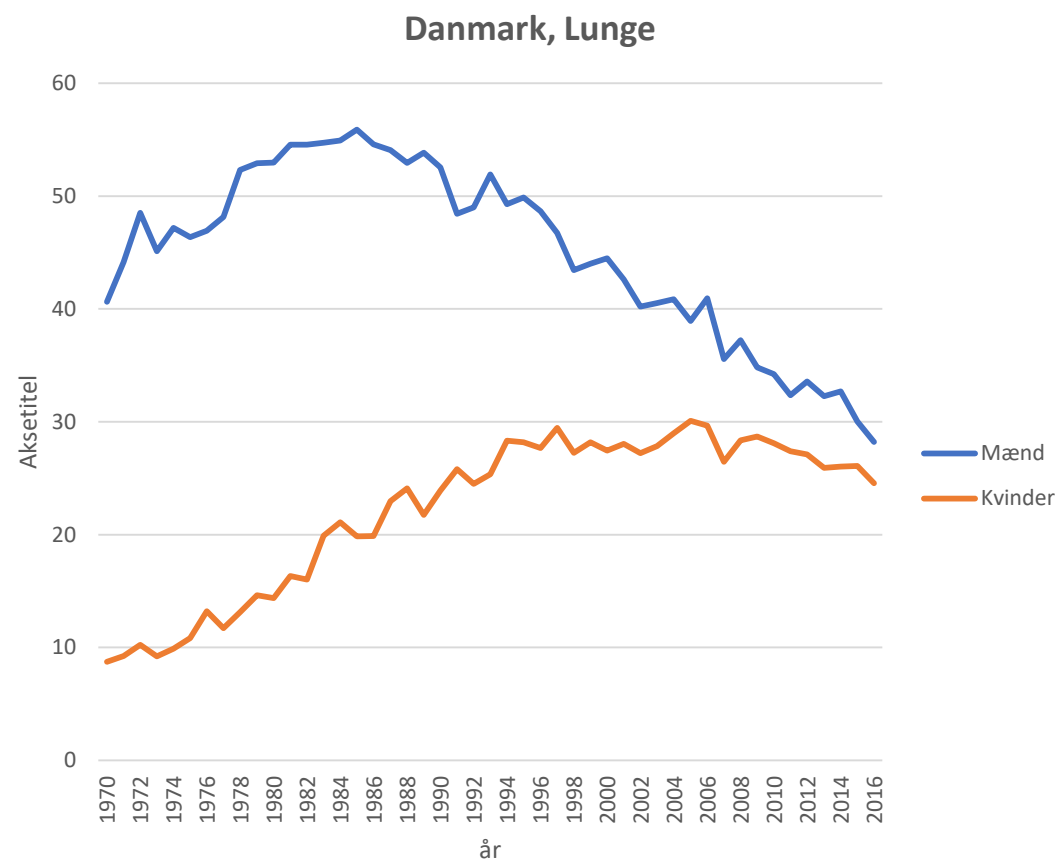

Lungekræft dødelighed i Norden

Lungekræft dødelighed i Norden

Kræftdødelighed i Danmark

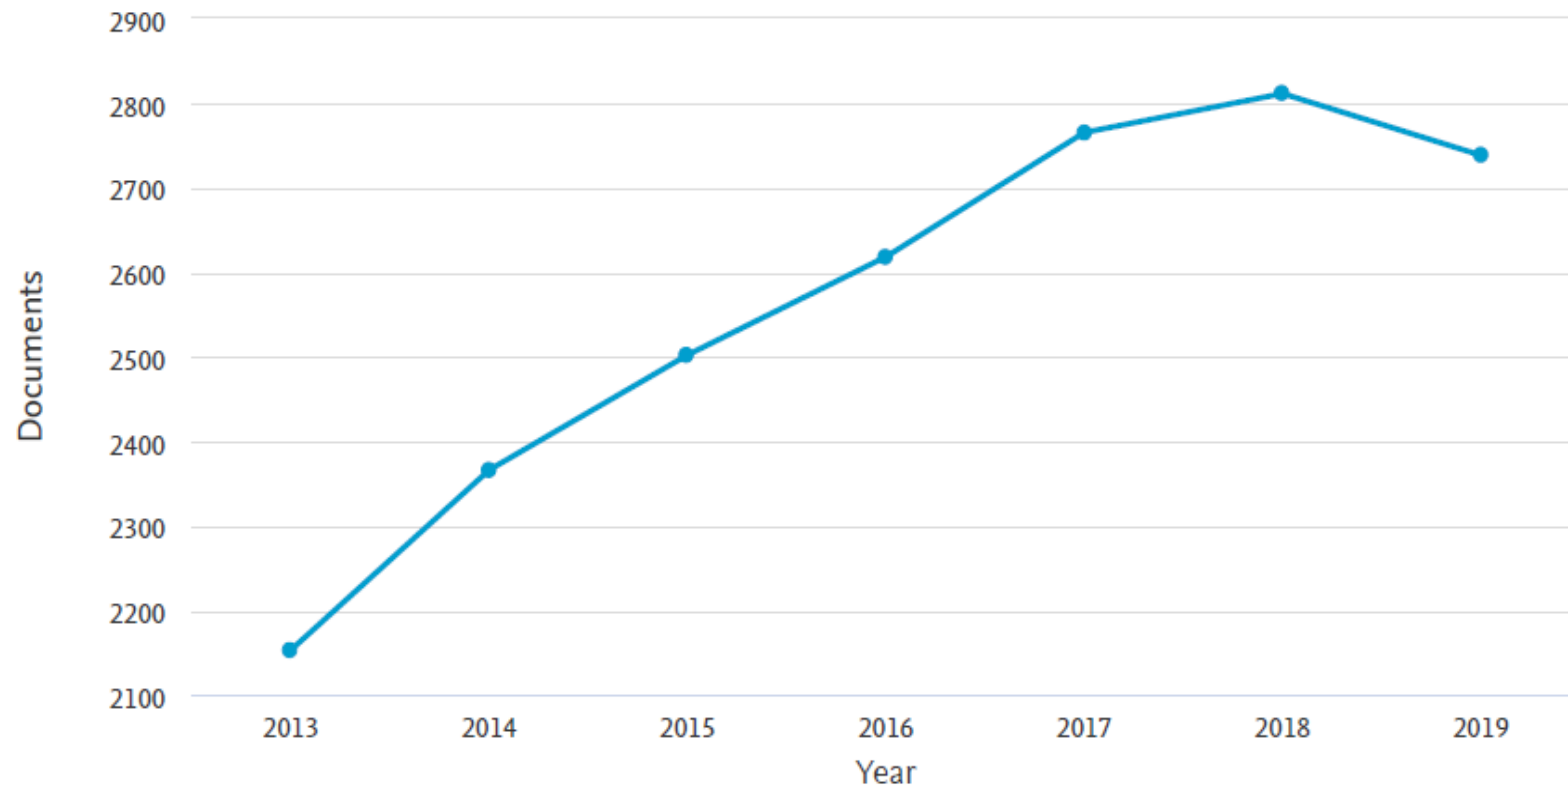

Forskning i lungekræft

- Scopus
- Term: Lung cancer
- Period: 2013-2019
- Territory: Denmark, Norway, Sweden, Finland
